Keynote Speaker: Laurel Braitman, PhD – Animal Madness: How Anxious Dogs, Compulsive Parrots, and Elephants in Recovery Help Us Understand Ourselves

Laurel Braitman is the author of *Animal Madness*. Inspired by her dog Oliver's debilitating separation anxiety and aggression, Braitman embarked on a journey around the world to study emotionally disturbed animals and the people who care for them. Her research led to a remarkable and moving discovery – understanding distressed animals can help us better understand ourselves.

6:00pm–7:30pm
Dinner will be provided
